- X6 Plus Stereo Bluetooth Wireless Headphones
- Micro USB charging cable
- 3 pairs of eartips

**PRODUCT OVERVIEW**

**FREQUENCIES**
- 150 - 15,000 Hz

**Wearable the Earphones**

**CONNECTING TO PAIRED DEVICES**
When powered on, the X6 Plus will automatically connect with the most recently paired and/or connected Bluetooth device that is powered on and within range. If the pairing list needs to be cleared, first power down the X6 Plus. Once powered on, the headset will automatically connect with the most recently paired device.

**MULTIPOINT**

**BLUETOOTH PAIRING**
Your headset must be paired with a Bluetooth capable device to use the device. To pair, follow these steps:
1. Press and hold the Power/Multifunction button for 3 seconds to power on your headset.
2. Disconnect any paired Bluetooth device.
3. Make sure the X6 Plus is turned off and within range.
4. Press and hold the Power/Multifunction button for 4 seconds until the status indicator light begins to flash red and blue in an alternating pattern and the headphone says “Pairing.”

**SAFETY & CARE**
1. This device uses wireless technology and may cause interference to medical devices, cardiac pacemakers, or other radio sensitive devices.
2. Keep the device and packaging out of reach of young children.
3. Do not submerge the device in liquid or expose it to extreme temperatures.
4. To prevent damage to the device, do not expose it to sunlight.
5. Do not use or store the device in humid environments.
6. Do not turn on the device in explosive atmospheres.

**WARNING**
- The maximum volume is 92dB SPL. Excessive volume can cause hearing damage.

**FUNCTIONALITY & CONTROLS**

FUNCTIONALITY & CONTROLS

CHARGING

When the headset is being charged, the LED indicator will be red. When the headset is fully charged, the LED indicator will be blue.

BLUETOOTH PAIRING

Your headset must be paired with a Bluetooth enabled device before use.

Note: If the headset is not paired and connected to a Bluetooth device, it will automatically connect to the last paired device when powered on.

MULTIPPOINT FUNCTIONALITY

If you have two or more Bluetooth devices connected to your headset, you can switch between them by pressing and holding the volume up and volume down buttons simultaneously for 2 seconds. The headset will need to be in pairing mode as described in the pairing section.

VERIFYING THE HEADSET IS PAIRED WITH A Bluetooth device

To verify if the headset is paired with a Bluetooth device, open the Settings menu on your device and select "Bluetooth." If the headset is paired with your device, it will be listed in the devices section.

TROUBLESHOOTING

WARRANTY

This product is covered by a 1-year warranty. If you have any questions, please contact support@MEEaudio.com.
**PACKAGE CONTENTS**

- X6 Plus Bluetooth In-Ear Headphones
- Micro USB charging cable
- 5 pairs of earpieces

**PRODUCT OVERVIEW**

**WEARING THE EARPHONES**

1. **First Time Use:**
   - Place the cable behind your neck, route it down between your ears and then around your ears. Ensure the eartips are fitted snugly in your ears. Adjust each earpiece for maximum comfort.

2. **Multi-Point Functionality:**
   - Multipoint is a feature that allows two Bluetooth devices to be connected and played from at the same time. This is particularly useful for users who want to listen to music or make calls on both devices simultaneously. 

**CHARGING**

- For maximum sweat resistance, avoid charging if you are sweating heavily. Charge only when fully discharged.
- A full charge lasts up to 15 hours.

**TROUBLESHOOTING**

- If the battery on your headset does not automatically connect with the most recently paired and/or connected Bluetooth device, ensure your device is powered on and within range.

**CONNECTING TO MORE THAN ONE DEVICE (MULTIPOINT)**

1. Power on the X6 Plus and select the Bluetooth device (Multipoint) from the Bluetooth menu on your device.
2. Follow the prompts to connect to your second device.
3. The X6 Plus will automatically switch between devices based on the active call and audio priority.

**FUNCTIONALITY & CONTROLS**

- **Power (     )**
  - Mute/unmute microphone
  - Previous track
  - Redial

- **Volume Up / Skip Track Button (    )**
  - Play/pause
  - Previous track
  - Next track

- **Status Indicator Light**
  - Status light changes from blue to red when the battery is low.

**SAFETY & CARE**

- Remove the eartips and clean the earphones after every use. The earphones can be worn with the earpieces in your ears. Adjust each earpiece for maximum comfort.
- Please follow the guidelines provided in the user manual for your device. If you experience any issues, please contact support@MEEaudio.com for assistance.

**WARRANTY**

- This product is covered by a 1-year warranty. For more information, refer to MEEaudio.com/Warranty.
